

## nVent to Acquire ECM Industries

NEW BERLIN, WI. —May 18, 2023— ECM Investors, LLC, the parent company of ECM Industries, LLC, announced today it has been acquired by nVent Electric plc (NYSE: NVT) (“nVent”). nVent is a leading global provider of electrical connection and protection solutions. With a team of 10,000+ people at more than 130 sites around the world, nVent designs, manufactures, markets, installs and services high-performance products and solutions that connect and protect mission critical equipment, buildings and essential processes. nVent has industry-leading brands that are recognized globally for quality, reliability and innovation, including nVent CADDY, ERICO, HOFFMAN, RAYCHEM, SCHROFF and TRACER. E Its management office is in St. Louis Park, Minnesota.

Mike Masino, CEO of ECM Industries stated, “We are excited to be joining the nVent family of brands. nVent’s focus on the electrification of everything, high growth vertical markets, global expansion and complimentary products will benefit ECM Industries’ customers, suppliers and employees.”

ECM Industries will join the Electrical Fastening and Solutions segment. ECM will continue to operate its sales, engineering, operations and all customer support functions from its existing locations.

### About ECM Industries

ECM is a global manufacturer and supplier of electrical products for construction and maintenance, irrigation and landscape supply and utility markets. The ECM Industries portfolio consists of leading brands ILSCO, Utilco, Gardner Bender, Sperry Instruments, Bergen Industries and King Innovation. These brands have been supplying electricians, do-it-yourselfers, contractors, and maintenance technicians with a wide variety of innovative products for over 125 years. The ECM brands are widely stocked and distributed through leading wholesalers, retailers, catalogs and e-commerce distributors.
